

Call for Manuscripts

The Georgia Council of Teachers of English (GCTE) seeks submissions for *Connections*. The journal publishes manuscripts targeting any aspect or level of English/language arts instruction, grades pre-kindergarten through university graduate level. Of particular interest are articles devoted to practical teaching strategies and classroom research. The reviewers like to read manuscripts informed by theory or scholarly work. *Connections* also considers publishing interviews with authors.

Submitting writers should follow these guidelines:

- Please submit manuscripts in electronic form via e-mail to Nancy.Remler @Armstrong.edu.
- Manuscripts should be double spaced and composed in Microsoft Word or saved in Rich Text Format.
- Manuscripts should document sources in **MLA style**.
- Submissions may include graphics, but they should be limited in number and be integral to the purpose of the manuscript. Graphics should have white backgrounds with black text or images. If graphics are not the original work of the author, the author should document the source of the graphic and ensure that reproduction of it does not violate copyright of the owner. In addition to inserting graphics in the manuscript, authors should send those graphics as separate files.
- Manuscripts should omit authors' names and contact information. On a separate document, writers should include their names, addresses, phone number(s), e-mail address(es) and a 1-2 sentence bio.

Manuscript deadline is April 1.
